MULTIPLICATIONAL

INSTRUCTOR

STEPHEN BECK PhD

Stephen is a career church planter and church planting instructor. He has served with the Redeemer Church Planting network in Canada, more recently with Greater Europe Mission in Germany. He is considered one of the "cutting edge" Greater Europe Missionaries in this regard. He is Professor of Practical Theology at Freie Theologische Hochschule in Giessen, Germany. He has also been guest lecturer at a number of institutions on the European continent. He is married to Susan and they have four children. In 2011 Stephen and Susan embarked on yet another journey: together with 25 college students they planted a multi-everything church for the Frankfurt metro region. Through the refugee wave that came over Germany, this church multiplied to 15 congregations in 6 years.

GOALS

The course is broken down into twenty specific sessions. Each session will include a video lecture, course guide, and in some cases short assignments to help you grow. We encourage you to not only do this course on your own time, but with others who share the same passion to expand God's Kingdom.

Session Summary

In this session Stephen will discuss the fourth DNA factor of being multiplicational. He will describe three attitude changes that must take place to help you have a different perspective on what growth and addition means in a church plant. You will discover practical ways to change your mindset to think in terms of multiplication.
