INSTRUCTOR

THEO VISSER

Theo Visser (1970) has a passion to see the church of Jesus restored to its original vigor: missional, colorful, passionate for Christ, Spirit filled, grace oriented, holy, with strong theology and high Christology. His vision is to see people from all nations becoming disciples of Christ in such a way that they will disciple others. In this way he aims for a multiplying movement of Gods Spirit across Europe.

After his study of theology in Utrecht he worked with refugees for 5 years. After that he planted an intercultural church in Rotterdam (ICF Rotterdam). Later he launched the Dutch ICP network; in 10 years' time he connected about 30 newly planted churches. In addition to this, Theo started a new church planting church in Rotterdam (LEEF!), where even today he still experiences the dynamics of an intercultural church. This is also the place where he himself is discipling others because that is his greatest passion. In this learning process he gained much experience in planting intercultural churches. He used to write down and store all the lessons that he has learned in this specific intercultural field. Right now, he spends most of his time serving the European network of intercultural church plants, ICP Europe (www.icpnetwork.eu). The goal of this network is to help the nations of Europe establish their own national network of intercultural church planting.

Theo's gifts as a pioneer are coaching, overseeing, training and inspiring others. In this way he helps people to reach their full potential in Christ for the cause of Kingdom among the nations.
