Introduction

In the gospel of John, Chapter 15, Christ speaks directly to His disciples about their relationship to him and His relationship to them. If a reader quickly reads thru this text, he may not see the relationship these verses have with prayer. However, when stopping to read and study the passages, we will realize that this text has everything to do with prayer!

Throughout this study, we are going to look carefully at these passages to begin to expose their link to prayer. We will also look at different prayers throughout the Bible as examples given to us by God to guide and lead us in the growth of our prayer life. This will lead us to develop a deeper level of intimacy with Christ and to greater levels of faith which will allow our prayers to be aligned with His will.
